

We are committed to doing our very best to service our communities as we monitor how the Coronavirus (COVID-19) affects us all. We are closely monitoring guidelines and recommendations from the Centers for Disease Control and Prevention (CDC) and are taking additional preventive measures.

We have increased our daily cleaning and sanitizing procedures in all areas of our stores and are spending more time disinfecting frequently touched surfaces like checkstands, door handles, shopping carts, payment keypads, and restrooms.

We have educated and continue to reinforce the use of proper handwashing techniques to our employees.

Be assured, our team is working closely with our suppliers to keep high demand items in stock. As demand for cleaning products, medicine, pantry stock-up items and more remains high, we are sending products to our stores as quickly as they become available.

For additional information about the Coronavirus, visit the CDC website at <https://www.cdc.gov>
