PICKETING PROCEDURES

DO

Maintain orderly, peaceful picketing.

Pickets must keep moving.

Pickets should not block entry to parking lots or facilities.

Pickets should be spaced to allow patient entry.

Communicate with the public in a courteous manner, requesting they respect our picket lines and shop elsewhere for the duration of the strike.

Report any information, even if only rumors, to the Union Representative.

Distribute handbills to patients.

Refer all media requests to UFCW Local 1428 at (909) 626-3333.

Return uniforms and badges upon request and only after receipt of all wages due.

Return keys upon request in the presence of a witness.

DON'T

Don't engage in patient arguments on the picket line; refer problems to either a Union Representative or the Union Office.

Don't be uncooperative with police.

Don't give out interviews to radio, television or other news media.

Don't stand in groups. Circulate.

Don't redistribute any handout material that has been dropped on the ground – throw it out, as this is a violation of city health regulations.

Don't engage in conversation with management or security.

Don't permit pickets to block entrances or exits.

DON'T LITTER!
